

CREATE (v.)

creatus

- to make, bring forth
- arise, glow

Find beauty and space in unlikely places.... There's always room in your heart for the unfamiliar. Learn to be brave, not fearless. Dare yourself to be more every day. Leave the world a little better than you found it. Live in gratitude. Silence your voice of judgement. Invest in yourself; create something exhilarating. You are the main character of your own story and supporting cast for many others. Take risks. Just go. The world will watch
